## OE Classic Car Club Launch Founder's Day, 26<sup>th</sup> May

Epsom College will have a dedicated parking area for your classic car on Founder's Day, 26<sup>th</sup> May, so bring it along for the launch of the OE Classic Car Club! The Club is open to OEs, parents, pupils and staff who enjoy a common enthusiasm for classic cars of all kinds.

The British love their cars and the UK is recognised as being the leading automotive design centre of the World – even now despite the motor manufacturing sector being a shadow of its former self.

Anything interesting, rare, beautiful or much loved qualifies. So if you have a rusty old Austin A30, a sparkling Rolls, a 'modern classic' exotic or short run production motor, or even an everyday workhorse from the 1960-1990 period, we'd love you to bring it along. It does not need to be in concours condition – just road legal to get here!
