

EPSOM

COLLEGE

May 2019

Dear OEs

Assistant Head: Sixth Form, Nick Russell, would be delighted to see you at the annual networking event for the Lower Sixth on Monday, 24th June. The evening is an important part of the College's provision for the students as they begin to consider their future in the world of work. It gives them an opportunity to interact with an array of professionals and enhance their networking skills.

7.30-8.15pm - Pathways to Success

The first part of the evening will be a Q&A session on the theme of Pathways to Success. We have a group of panellists who will answer questions relating to the world of work and share tips on what they believe is important in establishing a successful career.

8.15-9pm - Work the Room

The second part of the evening will be the Work the Room event, which will be an opportunity for students and all our guests to circulate and socialise.

You are welcome to attend the whole evening, but we would be particularly grateful if you could join us for the Work the Room session at 8.15pm. The students will have received training in advance; they will dress formally, be ready to introduce themselves and be alert to the need to keep circulating.

The event will be held in a marquee on Wilson pitch and drinks and canapés will be available for guests during the evening.

Please let me know if you would like to support this event.

Kind regards

Sue Croucher
