

**Dear OEs, parents and members of the Epsom College community,**

**Welcome** to the 17th edition of Phoenix, the newsletter that showcases the important work of the Education Trust and features the latest OE events and news.

During the new academic year we will be staging many events to suit all ages. These range from an event for young OEs in London, to professional networking receptions, to a 40 Year Reunion at the College. Coming up very soon is the OE Club's annual Black Tie Dinner, on September 12th, to which all OEs and their guests are invited. A reunion for 1985-87 leavers will take place at the dinner and the guest speaker will be former rugby international, Paul Burke (G 1989-91). We also look forward to supporting the events of our overseas OE Chapters and sporting societies, and helping them to grow and flourish.

Most of our news and events are published by email, so if you haven't received any electronic news or publications from us, please send us an email so we can update your record and keep you posted. It is easier for us to receive and send electronic communications, and we thank you for using email if you can. Please return the following page/s if you would like to attend an OE event or to update us on your details.

We have pleasure in welcoming the 2015 Sixth Form leavers to our global community of over 7,000 OEs. We wish them all the very best as they start the next chapter in their lives and look forward to meeting again soon.

Thank you to all who donate to our bursary funds and Annual Fund projects and also to those who help us in so many other ways. We are enormously grateful for your invaluable support, which is now even more important than ever.

Finally, we would welcome your news for future publications, so whether it be a marriage, birth, new job or an achievement, please do get in touch.

**Best wishes,  
Education Trust and OE Club Team**
